Reference: 12 Day Pre-General Report (10/1/94-10/19/94)

Dear Mr. Wilson:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule H1 indicates that the federal allocation for administrative and generic voter drive costs is 22%. However, Commission calculations for some disbursements listed on Schedule H4 disclose the federal share to be 0%. Please clarify this discrepancy and transfer any excessive amount to the non-federal account, if appropriate.

-Schedule H4 of your report discloses disbursements for activities reported as 100% Federal. For future reporting, please be advised that any activity which is financed entirely by the Federal account should be reported on a separate Schedule H supporting Line 21(b), not Schedule H4 supporting Line 21(a)(i). 11 CFR §106.5

-On Schedule H4, supporting Line 21(a)(i) and (ii) of the Detailed Summary Page, you have failed to include the total EVENT YEAR-TO-DATE FOR payment to all vendors for administrative/voter drive expenses. Please amend your report to include the EVENT YEAR-TO-DATE totals.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on
